### December Feature

This software is by one of the world's greatest living players, Bob Hamman, and an expert player and author, Barry Rigal. It is both a tutorial and a problem solving exercise, in the sense that each deal can be played against the computer in Bridge Master style. The latest technology also allows the user to experiment with play, to test solutions given in the text. Features include:

Richly illustrated chapters with many quiz questions on bidding and play  
Extensive index and topic links  
Film clip with Bob on partnership  
View explanations in single or double dummy mode

This product will suit the intermediate to advanced player.
